Shubhangi Goswami

COMPUTER SCIENCE ENGINEERING, STUDENT

OBJECTIVE

Seeking a challenging position in the field of Data Science, Web Technology, and Mobile App Development to further enhance my skills and gain valuable experience. With a strong foundation in Figma, Flutter, WordPress, SQL, Illustrator, Photoshop, and CMS Development, I am eager to contribute my expertise to a dynamic team, drive innovation, and make a significant impact in the industry.

EXPERIENCE

Intern - CMS Developer   **May 2023- June 2023**
WebNX

- One-month internship in CMS development.
- Hands-on experience in designing and developing CMS platforms, created a website and app design.
- Contributed to the design and development of a CMS platform, gaining insights into best practices for efficient content creation, organization, and publication.
- Actively participated in various tasks, including developing custom templates, integrating plugins, and optimizing website performance.
- Collaborated closely with cross-functional teams to understand client requirements and implemented effective solutions within project timelines.

Coordinator - CESA   **September 2022-Present**
CESA, Indus University

- Holds position as a Coordinator of Technical & Content Team of CESA.
- As the Coordinator of the Technical & Content Team, I successfully contributed to the growth and success of CESA by driving the seamless execution of technical projects and the creation of compelling content.
- I utilized my strong technical knowledge to provide guidance and support to team members, ensuring that projects were executed efficiently and in line with established timelines and objectives.
- I also identified areas for process improvement and implemented strategies to optimize team performance and workflow.
